Were the terms of the MOU met? (select one)

Completely

Nearly completely

Somewhat

Not well

Comments?

Overall, what were the greatest strengths of this field site and/or supervisor?

What are its limitations or things that could be improved?

Did you face any significant challenges related to the site or supervisor during the fieldwork period?

What were your greatest contributions to the site or programs?

Would you recommend this as a future fieldwork site?

If yes, what advice would you give to future field students or the supervisor?

If no, please explain why not or what could be changed to make it a more meaningful experience.

Thank you so much for the time, thought, and commitment that went into this evaluation!
